## ITR/Outdoor Shop

### Plan Your Kayak or Canoe Trip This Summer

by Lita McLemore

If you are planning a river or lake trip for this summer, the Outdoor Shop can help outfit your trip. We have brand new river and sea kayaks, as well as new lightweight Kevlar canoes for rent. Take your buddy to help you paddle in our tandem Necky sea kayak, and explore the slot canyons of Lake

Powell for as low as \$40 for a three-day weekend (includes paddles, jackets and skirt.)

If you are a single paddler, try a hard shell Hobie sea kayak for only \$30 per weekend (includes paddle, jacket, seat and knee strap.) This boat is perfect for exploring the shores of Antelope Island. We also have new white-water Prijon kayaks for \$30 for experienced boaters only (skirt not included.)

Perhaps you will want to explore some of the local lakes. Consider trying our new, ultra lightweight Kevlar canoes for only \$30 per weekend. These canoes only weigh 50 lbs., very easy to portage. Or, if you want something a little more heavy duty for your trip, we also offer new 15' fiberglass Wenonah canoes. If you are planning a rafting expedition, we now have two new Achilles self-bailing 14' rubber rafts, which will hold six adult rafters. So, no matter what sort of float trip you are thinking of, come by the Outdoor Shop and let us help set you up with some outstanding new equipment.

### The Lighter Side

*A man is recovering from surgery when a nurse asks him how he is feeling. "I'm okay, but I didn't like the four-letter word the doctor used in surgery," he answered.*

*"What did he say," asked the nurse.*

*"Oops!"*

*"Mr. Clark, I have reviewed this case very carefully," the divorce Court Judge said. "And I've decided to give your wife \$775 a week," "That's very fair, your honor," the husband said. "And every now and then I'll try to send her a few bucks myself."*

## Arts & Craft Center

## Arts & Crafts Geode Excursion

The Arts and Crafts Geode Excursion on Saturday, May 8, was a huge success. There were 32 participants in all and the area had just been dug up, giving hunters plenty of opportunity to find geodes.

Twelve vehicles made the trip. One car had a flat tire at Simpson Springs and the occupants were picked up by one of the caravan driving a jeep. As luck would have it, the jeep also had a flat tire about three miles down the road. Through it all, participants still had a good time and are looking forward to next year's excursion.

**“Summertime Pot Luck”** will be Saturday, June 26, 2004. Bring a food dish and enjoy half off all fees for Craft Center Activities! (Does not include framing or any retail activities.)
